## 1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

## 2. 2016/17 External auditor report

(~~Except for the matters reported below~~)\* on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met. (\*delete as appropriate).

**Internal Auditor's Report**

The Authority should ensure that the internal auditor's report is reviewed before sending the document to the external auditors. The Authority should minute this process. If there are any errors in the report it should either be amended by the Internal Auditor or the Authority should provide an explanation for the error.
