

Hi Victoria,

Please find below the works costs as requested,

I have had to include the removal of the hanging limb from the tree outside of your ownership (as mentioned in the tree report) as if caught up in the adjacent tree which has works specified against it and would not be safe to work in without first removing the hanging/broken limb from the other tree.

I will keep the costs separate for your files.

P2 Works Total £1262.00 + VAT if applicable.

Removal of hanging limb £903.00 + VAT if applicable.

Feel free to get in touch if you have any questions or would like to order the works.

Regards Rob
